Toni GERBER, 8 yrs old is going to be questioned about what type of sexual acts were performed upon him by a male on 30 May 91, about 1830 at the sportsfield in Niederwerrn. Toni was seen at the apartment of the witness (b)(6) (b)(7)(C). His mother had given permission for this interview. After being admonished to tell the truth, he stated the following.

## 1. Personal Data:

Toni GERBER  
DOB; 25 May 83 in Schweinfurt  
res: # 9 Schweinfurter Strasse  
8721 Niederwerrn. tel # 49068

## Parents:

Father: (b)(6) (b)(7)(C) (Phonetic), US soldier

Mother: (b)(6) (b)(7)(C) Laborer, address see above.

Answer to Question: I live here with my mother in Niederwerrn. My father is in America. I do not know when it was the last time I saw my father. Off an on he calls and when I have my birthday he sends me something. Sometimes he also writes. I do not have any brothers and sisters, only a male and a female cousin. The names are (b)(6) (b)(7)(C) and (b)(6) (b)(7)(C). I am attending school at Roethlein. I attend school there, because there were problems with other students. They said that I was a Negro. I am in the second grade right now. My teacher is Mr. (b)(6) (b)(7)(C) (b)(6) (b)(7)(C) (phonetic). I love to write. Reading I do not like at all. I am a good student. I also like to go to school. I can speak German and English. I can not write English as well as German. My hobby is running and sports I like. I also like to watch television, preferably sports. My mother works. Sometimes I stay with the (b)(6) (b)(7)(C) family and sometimes I stay with girlfriends of my mother.

## 2. TO THE CASE.

When I saw him for the first time he was sitting on a bench at the sportsfield. (b)(3) (b)(6) (b)(7)(C) was also there. We also sat down on the bench. The man had a piece of paper and he was writing something on it. Then he showed us books, which are not for children and that all. He gave the books to us and said that we should take a look at it. At first we did not know what kind of books it were. Then we looked at the books and then we knew what kind of books it were. Thereafter we went home and told our mother. My mother wanted to call the Police, but then she did not do it. The friend of (b)(3) (b)(6) (b)(7)(C) brother, (b)(6) (b)(7)(C) he lives near the school in Niederwerrn somehow found out about it, I don't know how. He went down to see the American and told him that he better not come back here, otherwise the Police would show up. For some time he did not

EXHIBIT 2

come back. Then (b)(3) (b)(6) (b)(7)(C) came and said that the American was back. We went down there to see and looked for him. I told my mother about it. He also gave us cigarettes and he always showed us such books.

Q. How often did the man show you such books?

A. Often.

Q. What kind of books were this?

A. There were naked men and women and they were in bed.

Q. Could you see what the men and women were doing?

A. They were standing next to each other. But I do not know so much about the books any more, that is quite some time ago when he showed us. On the day when we called the Police he did not show us any books.

Q. Why did you always go to see the man knowing that he was showing you such type of books?

A. We all go always to the park, because we play with the dogs. I further thought that he would not show us such books again. He always called us over we should come to him and then gave us cigarettes and paper. Also he showed us the books.

Q. Did you like the books?

A. No.

Q. Were there any other children present when he showed you the books?

A. I know that (b)(3) (b)(6) (b)(7)(C) was there one time. I don't know if he showed them to (b)(3) (b)(6) (b)(7)(C)

Q. Do you know how many books it were?

A. It always were two.

Q. Were these the same books?

A. Yes.

On the day my mother made the complaint (b)(3) (b)(6) (b)(7)(C) arrived and told me that the man was back down there. My mother was not at home. I went down there with (b)(3) (b)(6) (b)(7)(C) and (b)(6) (b)(7)(C). But we took the dogs also. Again the man was sitting on a bench, but this time on another bench. I walked back home, and in the meantime my mother was at home and I told her that the man was sitting down there again. (b)(3) (b)(6) (b)(7)(C) and (b)(6) (b)(7)(C) stayed down there and watched him. Then I walked around in the park with my mother. I showed my mother the man. In the meantime (b)(6) (b)(7)(C) and (b)(3) (b)(6) (b)(7)(C) went home because they had to eat. Later the brother of (b)(3) (b)(6) (b)(7)(C) (b)(6) (b)(7)(C) (b)(6) (b)(7)(C) went down there and talked to the man. He asked him if it was true and the man told him, yes, this is true. At first my mother did not want to call the Police, but (b)(6) (b)(7)(C) said that we had to call the Police. Then my mother called the Police. At first the German Police showed and they picked up the man. Thereafter the Military Police showed in a big car and they picked up his bicycle.

Investigator: Toni please tell me what really happened, why did your mother call the Police.

A. Well, it was like that. I was down there once again, and it is some time ago and the man showed me his eggs. He was sitting on the bench, had opened the fly of his trousers and took his eggs out. He did not

Criminal Police Inspectorate  
Schweinfurt

Schweinfurt, 1 Aug 91

Report, in reference to Darin RICHARDSON, DOB (b)(6) (b)(7)(C) suspected  
of indecent Acts with Children.

In the above mentioned case, on 1 Aug 91 the Student

(b)(3) (b)(6) (b)(7)(C)

was interviewed. He was informed about the reason for this interview. After being admonished to tell the truth, he stated the following:

I saw the American quite often at the Playground in Niederwerrn. He sat there often on a bench. He did not wear uniform, but always civilian clothes. It struck me quite often that he was going over to the children or that he had the children come over. At first I did not think much about it. I thought that may be the children knew him.

At one time I was down there and Toni GERBER stood next to him. Later Toni showed me DM 5.00 and I asked him where he got that money. Toni told me that he got it from the American and I again asked him what for. Toni told me that the American had had his penis out and he - Toni - was supposed to touch it. Truthfully, I do not know what Toni meant with that. However I understood it this way that Toni was supposed to touch the penis of the man. If he in fact touched it, I do not know.

After that the little (b)(3) (b)(6) (b)(7)(C) and Toni went to the Sports home and bought something. They were going to buy me something too that I would not tell the parents. I told them that I would tell the parents, because this could not go on any longer. I did not tell the parents. In the meantime Mr. (b)(3) (b)(6) (b)(7)(C) must have found out from someplace else. He had stopped at the playground and looked for the American. He was not there any more.

Q. Did you ever talk to the American?.

A. Yes, I talked to him once and asked him why he did not quit bothering the children. He did not give me an answer. I told him: I am going home with the children and tell the parents. He said that he did not care, and he did not fear that. From that point on I was sure that it was true what Toni had told me. At first I was not sure if I should believe Toni.

Q. Was there anything else?

FOR OFFICIAL USE ONLY

EXHIBIT 9

0159-91- CID 647-51734-6A1

A. The American did have porno magazines along. When I passed he hid same. He either placed another book over it or he placed his rucksack on top of same. At one time I saw that it were Playboy magazines.

Q. Did he show you any of the magazines?

A. No.

Q. Did the American want anything from you?

A. No.

Q. Did you ever see any children when he did something to them or if they did anything to him?

A. No, it was only this with Tony. That I did not see, I was only told by Toni. As far as I know (b)(3) (b)(6) (b)(7)(C) was also there. If something happened I don't know. The American always offered them cigarettes.

Q. Do you remember when that was?

A. A long time ago. I don't know when that was. Anyway, it was not cold at that time.

Q. How did you talk to the American?

A. English, because I speak English.

Q. Did the American have a vehicle along?

A. Yes, a yellow mountain bike.
